THIS MATTER came before this Court for hearing upon the Defendant’s Motion to Dismiss , with respect to Plaintiff’s Complaint to Avoid and Recover Transfers and Unlawful Distributions (the “Complaint”). The parties appeared through their respective counsel. The Court heard argument of counsel and considered all materials submitted. For the reasons stated on the record, which oral findings and conclusions are incorporated herein, the Court determined that the Complaint fails to state claims against the Defendant upon which relief may be granted, as to both the preference and the fraudulent transfer causes of action. Now, therefore, it is hereby

ORDERED that the Complaint is dismissed, but with leave to amend. Any amended complaint shall be filed no later than March 18, 2016.
